SRP/Fiscal

Dear Ms. Morey:

Attached is an itemized invoice and supporting documentation for costs incurred and paid by the Illinois Environmental Protection Agency at the The Morey Corporation site in Downers Grove for the time period inception through December, 2000. This bill is pursuant to the signed Service Agreement dated October 31, 2000. The total amount is due within 45 days of receipt of this request.

Within 35 days after the receipt of a request for payment, the Remediation Applicant may appeal the reasonableness of any request for payment. Appeals of any request which do not exceed, in the aggregate, the Agency's cost estimate provided under Section 740.210(c)(5) or \$5,000, whichever is greater, shall be limited to the grounds that the services on which the request is based were not actually performed. Appeals to the Board shall be in the manner provided for the review of permit decisions in Section 40 of the Environmental Protection Act. In lieu of an immediate appeal to the Board, the Remediation Applicant may file a joint request for a 90-day extension of the time to file an appeal in the manner provided for extensions of permit decisions in Section 40 of the Environmental Protection Act [415 ILCS 5/40].
